

# *Newsletter #7, Week of March 26, 2007*

The Quilters II newsletter is published weekly during the season, and monthly during the off season. Information on scheduled events will be restricted to the coming week (or month), unless advance planning is required.

## *From the Coordinator*

The air conditioning situation in the Palo Verde room has been resolved! The swamp cooler has been disabled and the temperature in the rooms appear more stable with no cold drafts. Bringing a sweater is always an option.

Lynn Parker & Audrey Young will be passing out a survey sheet . They are still looking for committee people for next year and some more ideas of things that you people might like to do. Remember.....it's suggestions from ALL OF US that make this group the wonderful group that it is!!

The Team of Fran Walthall, Julie Young & Sharon Jewitt will have quilts ready to go to different Charities on Monday. They will have them ready to pass out after the Show & Tell. Please help bring these quilts of ours to the many different places in Tucson that can use them. Bring a friend with you and go out to lunch at the same time!!

Feel free to bring in your own projects to work this week.

Suggestions are always welcome. My e-mail address is : [evanier@verizon.net](mailto:evanier@verizon.net).

See you in the Park or at our Monday Quilters 2 meeting. In the meantime, enjoy quilting!

Elaine Vanier

From Carol Monthei... Reminder: There will be a small quilt panel on the frame ready to be quilted Monday morning. If you are certified, please consider working on this project. It is a good way to get some more practice while having teachers around to help you out.

From Karen Anderson... Quilters II is planning a quilt show next year. If you have a quilt back home, which you want to have in the show, please bring it back with you next season. Quilts include wall hangings and wearable art as well as regular quilts.
