

## *Newsletter #14, Month of September, 2007*

The Quilters II newsletter is published weekly during the season, and monthly during the off season. During the off season, the newsletter will be in a much more informal and relaxed format.

Suggestion from Fran Waltham.....

My suggestion is having a block of the month challenge each month. I mentioned it to Audrey last season - those that want to do it can put their name in the hat for each block they make and have their own drawing to see who wins them all - it was a fun project in my old club.

Comment from the editor.....

No other input from the membership has been received, therefore it won't take long to read.
